Kelly – I confirmed we currently have 8 rabbits. Just a few minor additions. Otherwise it ready for the Administrator.

Wayne,
Do you have any concerns with this one? Good to go for the Administrator fact sheets?

Kelly – Jeff F looked at this one, and I pulled all the rabbit info from recent (Feb/March) language we used to respond to some inquiries, so it should be up to date. I don't think CPHEA needs to review this but sharing in case.
